

## TROOPS ARE UNDER ARMS

Three Bloody Riots in Cleveland Yesterday.

### THE SEQUEL TO THE

MAY DAY DISORDERS.

Mob of Two Thousand Drive Men From Work.

When the Police Appeared, They Were Met by a Shower of Bricks, and the Blue Coats Were Compelled to Climb the Rioters Into Submission—A Proclamation from the Mayor Commands Peace, and He Has Ordered Out the National Guard and Gatling Guns to Enforce His Orders—Further Serious Trouble Expected.

Cleveland, Ohio, May 2.—The disorders which began yesterday with the May Day demonstration of the unemployed culminated today in open riots. There were three separate and bloody conflicts between the police and the rioters, and tonight the troops are under arms ready to respond to a call in case of any emergency. The worst is believed to be over, however.

The trouble began before noon, when a mob of about 2,000 started to raid the factories on the flats and drive from work the men employed therein. The first attack was made at the Variety iron works. The windows of the factory were smashed by stones and bricks and the workmen fled in a panic.

A force of seventy-five policemen was then called out. The rioters proceeded, however, to the Union Bolt works, where 1,500 men were induced to quit work before the officers arrived.

When the police came on the scene, the men made a stand and hurled bricks at the officers. Orders were given to charge them with clubs. The rioters ran like sheep at the first assault, but their leaders succeeded in rallying them on the Abbey street viaduct, a bridge about 1,000 feet long.

Clashed Into Submission. Squads of police coming up at both ends of the bridge, penned in the crowd, and they were forced to take the way out. They made a rush for the officers, but at least a score of them were clubbed unmercifully before they finally succeeded in getting away.

During this conflict, the anarchists were leading a terrible struggle on their part. One of them, Thomas Moore, an ex-convict, was clubbed into submission and taken to the station in a patrol wagon, cursing the police and declaring that this was the happiest day of his life.

The firmness of the police had a good effect, for it succeeded in scattering the rioters in all directions. In the south end of the city, at the same time, a mob of 500 men drove away from the station in a patrol wagon, and were about to make a raid upon the Cleveland rolling mill. They were met by Police Director Horner and a squad of ten policemen, who clubbed them until they were glad to run.

At least thirty men were injured in this fight, but the mob was dispersed. The afternoon, however, was not permitted. He issued a proclamation commanding people not to assemble on the streets, and at the same time called on the Cleveland Greys, the Gatling gun battery and the resident companies of the Ohio National Guard to assemble in their armories and await a call.

There was a ready response to the call and tonight at least 500 men are under arms awaiting any emergency that may arise.

Call For Militia. St. Paul, May 2.—Governor Nelson received a call from the sheriff of St. Louis county for the militia to help suppress the disorder reported among the strikers on the Mesaba range. Being leaving the office, he sent the adjutant-general to Duluth to look over the ground and decide whether there is any necessity for such action, it not being thought the sheriff had exhausted all other means of suppressing the trouble.

Dynamiters Nabbed. Mount Pleasant, Pa., May 2.—An attempt to blow up plant "A" of the Clairsville Coke company, was frustrated tonight by the arrest of Edward Davis and William McCracken and two foreigners, while in the act of passing the bomb in a suitable way for carrying out their intention. The coke company officials had received warning of the strikers' intention.

Lewis Miners Go Out. Clinton, Mo., May 2.—The miners at Lewis have gone on a strike. They also went out at Calhoun today. The coal miners' union representatives came there from Deep Water and Brownington to try to induce the miners at those places to strike and tie up the Keith and Perry and Blair mines there.

To Force Men Out. St. Louis, May 2.—Belleville miners today marched upon 1,000 Glen Carbon miners and prevailed on them not to work. Efforts are being made to force out men at Edwardsville, Mt. Olive, Clyde and Gillespie.

To Aid the Movement. Pana, Ills., May 2.—Three hundred and seventy-seven miners turned out at a mass meeting today and voted to go on a strike indefinitely in aid of the national movement.

Will Affect Four Thousand. Ottumwa, Iowa, May 2.—The state miners' convention was held at Albia today. Four thousand miners were represented by delegates from Marion, Wapell, Polk, Boone, Appanoose, Mahaska and Keokuk counties. The delegates stated in advance that a strike would be ordered. It will affect 4,000 men.

Will Go Out Today. St. Louis, May 2.—From information at hand late tonight, it is probable that 1,200 of the Mount Olive, Stanton and Fort Edwardville and Glen Carbon, Ill., miners will go out tomorrow.

The Indian Murders. Caddo, I. T., May 2.—President Cleveland has granted a stay of sixty days to Simon Lewis, the still-blooded Choctaw sentenced to be shot here next Friday with one of the nine Indians who were recently convicted, but whose sentence was stayed pending arbitration between the two opposing factions in this nation. It is believed that a new stay will be granted the men through the mediation of President Cleveland.

## SQUIRE TAKES HIS TURN AT THE TARIFF.

Usual Black Picture From a Republican Brush.

### SAYS PEOPLE DO NOT WANT ANY CHANGES.

Might Have Been Good Doctrine, Once, But Not Now.

In the House the Knife is Unsheathed, and Considerable Money Saved—Johnson Springs a Resolution of Censure, But is Turned Down—Attorney-General Olney Replies to the House Resolution for Information Concerning Liability of Western Railway Stockholders.

Washington, May 2.—The Senate proceedings were rather dull today, most of the afternoon being consumed by Senator Squire, of Washington, who made a carefully prepared speech in general opposition to the tariff bill. Before he began, Mr. Lodge, of Massachusetts, undertook to enact the role of tormentor. He threw out some exasperating challenges to the Democratic side, but the Democrats refused to be drawn into a controversy, and finding his efforts unsuccessful, he turned the floor over to Mr. Squire.

Before the tariff bill was taken up, Mr. Hoar tried to pass his anti-lottery bill, but it met considerable opposition from Senators Vest and Gorman on the ground that it was interfering with raffles and drawings at church fairs and made participants guilty of felonies. Ultimately the bill went over without action.

Squire Talks Tariff. Mr. Squire began with a reference to a statement of Mr. Mills, in which the latter declared that "we must pass this bill. He took issue with the Texas senator and declared that if some measure of tariff reform had been formulated and passed immediately after the advent of the present administration, it might have been said that the Democratic party was complying with the will of the voters, expressed in the election of 1892. But such a measure had not been prepared, and the feat to which the people had been invited had actually grown cold. The people had also learned that there was poison in the feast offered. He declared that the tariff reform which the Democrats had pointed out, ought to convince any reasonable man that the attempt of the Democratic party to take the advantage of the tariff reform was not what the people wanted.

"Is it the duty of this Congress," he asked, "to carry out the contract wanted by the people? Is it the duty of this Congress," he asked, "to carry out the contract wanted by the people? Is it the duty of this Congress," he asked, "to carry out the contract wanted by the people?"

The captain of the Cleopatra said there was an explosion of eighty cases of dynamite on board. The life boats were launched and the crew barely escaped.

WIND AND HAIL. Church Blown Down and Other Buildings Damaged. Ezebon, Kas., May 2.—A heavy wind and hail storm, six or seven miles wide, passed over this place in a north-easterly direction tonight, doing a great deal of damage.

The United Brethren church was blown from its foundations and wrecked. The Chicago Lumber company's yard and Davis & Co.'s corn cribs were scattered for miles and several buildings were badly damaged.

John Butcher, a badly hurt and mangled man, was blown to pieces. John Brennan, a farmer, was riding to town when his team was blown off a high bank. Both the horses were killed and Brennan was badly injured.

The small grain was not far enough advanced to be injured by the wind.

ADVOCATED REVOLUTION. Lord Rosebery Speaks at Manchester on Home Rule. London, May 2.—Lord Rosebery spoke at Manchester tonight, expressing the opinion that the Liberal party would soon carry the conviction of the English people in favor of home rule. He was not sanguine the various measures which had already been presented would pass parliament at the present season. This was because of the abuse of procedure in the house of commons, in the form of obstruction. He believed the time was not far distant when the people would protest against this abuse, and demand a strict account of all the transactions of parliament. He advocated revolution as a remedy for parliamentary congestion.

PAPA PUT UP THE CASH. Embezzler Herman Clark Has Been Caught. New York, May 2.—Herman Clark, who was arrested some weeks ago for embezzling from his brokerage firm of Hunter, Clark & Jacobs, was today identified with the firm of Lamontague, Clark & Co., whom Florence B. Davis accuses of swindling him out of \$75,000. Clark and Montague were arrested. Clark had been bailed out on the former charge, and when a second charge was made against him today, he was surrendered to the Tombs by his bondsmen, and again admitted to be in \$10,000 the young man's father furnished the bond.

CAME TO AN ABRUPT END. Fort Wayne, Ind., May 2.—The trial of Editor Bidwell, of the A. P. A., for criminal libel against Catholic officials, came to an abrupt end. Attorney Robert C. Bell, requested Judge O'Rourke to examine Juror Joseph H. Hood, who had been overheard talking about the case.

Witnesses were called and a Mrs. Smith stated that Juror Hood said: "I am better than eight priests. Priests are like other men, they have passions which they can not control."

He made other statements against the priesthood, the witness alleged, which were too foul for her to repeat. The judge dismissed the entire jury and postponed the case.

MAYOR SMITH'S PLURALITY. St. Paul, May 2.—At midnight, the totals in the heads of the tickets had been completed. For mayor, Smith (Democrat) received 13,365; Doran (Republican), 11,832 and Davidson (Populist), 1,138. Smith's plurality, 682.

## QUIGG (REPUBLICAN), OF NEW YORK, AND THE RESOLUTION WAS ADOPTED.

At 12:35 Mr. Dingley (Republican), of Maine, moved to take up the bill to improve the methods of accounting in the treasury department, and it was agreed upon that general debate on the bill should be limited to two hours.

The House went into committee of the whole, Mr. Hatch (Democrat), of Missouri, in the chair. At present the offices affected by the bill employ 759 clerks, at a cost of \$1,065,709. Under the pending bill there will be 624 clerks at an annual cost of \$886,000.

Mr. Wagner (Republican), of Pennsylvania, moved to amend the last paragraph by changing the date for the bill to go into effect from July 1, 1894, to July 1, 1895, and on a question having voted, he demanded tellers, but subsequently withdrew his point and the amendment was disagreed to.

At 3:55, the House went into committee of the whole to consider appropriation bills and the Central and Western Pacific Railroad company, of Ohio, opposed the passage of a bill carrying \$1,000,000 without some further explanation.

At 5 o'clock, the committee rose, and the House adjourned without taking any action on the bill.

HE HAS NO FACTS. Attorney-General Olney Replies to the House Resolution. Washington, May 2.—Attorney-General Olney today made a reply to a request of the House calling for information as to whether or not the stockholders of the Central and Western Pacific Railroad company, or their successors of them, are liable in any manner to the government for reimbursement of the United States for bonds issued by the company in aid of the building of those roads.

The attorney-general says he is not in possession of the facts bearing on the subject, and continues: "If the resolution is to be construed as calling for an official opinion on the legal liability of stockholders, I find myself unable to accede to the request. It has been uniformly held by my predecessors, from the very beginning of the government, that the fact that a stockholder has permitted to give legal advice at the call of either house of Congress or of Congress itself."

MANEY'S COURT MARTIAL. Members Will Meet at Fort Snelling on May 26th. Washington, May 2.—Lieutenant James F. Maney, of the Fifth Infantry, who was recently acquitted at Chicago of the murder of Captain Hedberg, will be tried for the offense again, this time by military law. A court-martial has been ordered for the purpose of assembling at Fort Snelling, May 26.
